## RULE 76.

**ALL APPLICATIONS** for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade

or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published*. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

MUNICIPAL BY-LAWS.

CORPORATION OF THE DISTRICT MUNICIPALITY OF DELTA.

THE BOUNDARY BAY ROAD DITCH BY-LAW, 1923.

A By-law to provide for draining Parts of the Municipality of Delta by deepening and widening the Boundary Bay Road Ditch in said Municipality, and for assessing the Cost of the same against the Lands benefited.

Provisionally adopted this 8th day of February, 1923.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the deepening and widening of the Boundary Bay Road Ditch have petitioned the Council of the said District Municipality of Delta, praying that the Council take such steps and proceedings as are necessary for the deepening and widening of the said Boundary Bay Road Ditch, situate within the said municipality, and in Township Five (5), New Westminster District, British Columbia:

And whereas thereupon the said Council procured an examination to be made by D. J. McGugan, C.E., being a person competent for such purpose, of the said ditch proposed to be deepened and widened, and has also procured plans and estimates of the work to be made by the said D. J. McGugan, C.E., and an assessment to be made by him of the land to be benefited by such drainage-works, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage-work by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said D. J. McGugan, C.E., in respect thereof and of the said drainage-work being as follows:—

NEW WESTMINSTER, B.C.,  
November 20th, 1922.

N. A. McDiarmid, Esq.,  
Ladner, B.C.

DEAR SIR,—Acting upon instructions from your Council, we have made surveys and have taken levels along the Boundary Bay Road Ditch from the flood-box at Mr. Parmiter’s corner to the high-land on the easterly boundary of Mr. Grauer.

We find that this ditch requires deepening and an increase in its cross section in order to adequately accommodate the flow of water. Without this deepening, those along the course of this ditch cannot fully realize their potential benefits from the deepening of the Chilluethan Slough. By means of deepening and widening they will find that their drainage will be very much improved.

We recommend that the ditch be deepened approximately 2 feet 3 inches along its entire length. This will place the new ditch at the Parmiter Road 10 inches above the floor of the flood-box at Ladner. At the corner of the Farrell Road the bottom will be 1 foot 10 inches above the floor of the aforesaid flood box, while at the foot of the hill it will be 2 feet 10 inches above the same floor. This will ensure a good grade, being 1 foot in 6,000 feet.

The average width at the top should be 14 feet, depending on the height of the adjoining land and the position of the poles along the ditch. The bottom should be 5 feet wide from the Parmiter Road to the Farrell Road, and from the Farrell Road to the foot of the hill it should be 4 feet wide.

This size ditch will require about 11,145 yards of excavation. This is rather too much to be done by hand, and we would recommend that a drag-line dredge be employed, on account of the greater economy possible.

There is no doubt whatever about the need of this new ditch, and although the assessment may seem rather high, due to the length of the ditch and the narrow strip which it serves, still we believe it is a sound proposition economically.

Awaiting any further instructions from you, we beg to remain,

Your obedient servants,

BURNETT & MCGUGAN,  
Per D. J. MCGUGAN.

Boundary Bay Road Ditch—Estimate of Cost.

November 15th, 1922.

Excavation of 6,145 yards by drag-line @

10 per cent. for engineering, etc. ....	278 49
	\$3,064 74

And whereas the said Council is of the opinion that the widening and deepening of the said ditch is desirable:

Be it therefore enacted by the said Municipal Council of the said Corporation of the District Municipality of Delta, pursuant to the provisions of the “Municipal Act”:—

1. That the said report, plans, and estimates be adopted and the said ditch be widened and deepened in accordance therewith.

2. That for the purpose of paying the sum of \$3,064.74, being the total amount charged against the said lands so to be benefited as aforesaid, the following special rates over and above all other rates shall be assessed and levied in the same manner and at the same time as taxes are levied upon the undermentioned lots and parts of lots, and the full amount of the said special rates assessed as aforesaid against each lot or part of lot respectively shall be assessed and levied as aforesaid and paid in the year 1923:—

3. Such special rate shall be added to the taxes assessed and levied upon the said lots and parts of lots for the year 1923, and shall be levied and col-

lected in the same manner as taxes are levied and collected, with all incidents provided by the "Municipal Act" and amending Acts for the collection of taxes.

1 This by-law may be cited for all purposes as the "Boundary Bay Road Ditch By-law, 1923."

Provisionally adopted the 8th day of February, 1923.

Passed the Municipal Council this day of February, 1923.

Reconsidered and finally passed this day of February, 1923.

Reeve.

Clerk.

Notice is hereby given that the above is a true copy of a by-law provisionally adopted by the Municipal Council of the Corporation of Delta, and that a Court of Revision for hearing any appeals against the assessment thereby imposed will be held at the Council Chambers, Ladner, commencing at 10 a.m. on Wednesday, the 14th day of March, 1923.

And further notice is hereby given that any person intending to apply to have this by-law or any portion thereof quashed must, not later than ten days after the final passing thereof, serve a notice in writing upon the Reeve and upon the Clerk of the municipality of his intention to make an application for that purpose to the Supreme Court during the thirty days next ensuing after the final passing of this by-law.
